Are you looking for a place to hold a function?

Are you looking for a place to hold a function or something different to do with your members or club that's not going to cost the earth?

Here at Amusement Worx, we have a room full of pinball machines, driving simulators, the old style table top video games and interactive games.

We specialise in pinball, so we always have over 20 to play, plus everyone's favourite machine – the Daytona twin!

All are on free play, so you just have to walk up and push the start button - that's when the fun starts.

We can organise food platters for up to 30 people, or you can bring your own. We do have a BBQ - just let us know what you require. We will tailor a package to suit. Children's(or Adult's) birthday parties are a specialty!!

We have helped many social and Corporate clubs to organize their function, and they keep coming back for more. So stop worrying where, what & how and just concentrate on when!!

Centrally located on Torrens Road, just 10 minutes out of the CBD. We are very flexible on times and days.
